"THE BOYS NEED YOU TRAINED"

Please be Early !!

Our curriculum has been upgraded with the latest information from the Boy Scouts of America. Even though some of this Scout training is offered online we recommend you take these classes with other adult leaders to gain the knowledge of the combined group. If this is a new position or you've moved into a different position in your unit, you can fulfill some of the necessary requirements needed on this day.

Please register and come join us for a good time learning.

Registration is highly recommended

Class Fee: Free - again its FREE!

Please bring a bag lunch and a chair.

Please register online at: southernskies.northernstarbsa.org

Please watch our website for changes or additions
